Sanction particulars

The Municipal Council of Nandipur records approval of the building proposal under sanction reference BNP/2022/0671 dated 9 August 2022 for the proposed campus of Sahyog Institute of Engineering and Technology at Plot 18, Knowledge Park Road, Village Rampur Kalan, Tehsil Nandipur, District Sehore, Madhya Pradesh. The drawings are attributed to architect Ar. Kavita Rao, Council of Architecture registration number CA/2010/24681.

Building and area description

The sanctioned proposal describes an academic block, an administration block, a library and student amenities block. The total sanctioned built-up area is 8,450 square metres, and the stated floor area ratio (FAR/FSI) is 1.20. The area statement records 820 square metres of administrative carpet area and 560 square metres of amenities carpet area, alongside instructional and circulation spaces.

Room schedule

The academic block includes lecture rooms identified as A-101, A-102, A-201 and A-202, each designated for classroom instruction and each with a stated carpet area of 66 square metres. The laboratory suite includes rooms L-101 and L-102, each designated as a computer laboratory with a carpet area of 90 square metres. The administration block includes offices ADM-01 through ADM-06, and the amenities block includes a library reading room and student common room. This narrative summary is synthetic and is not a substitute for approved architectural drawings.

End of synthetic test document.
