Fire Safety Certificate

Document reference: DOC_09_FIRE_SAFETY | Scenario: New Institution — Initial Approval

Important notice

This entire document is fictional and generated only for software testing. It is not issued by a real authority, bank, professional, or legal entity; it is not signed, stamped, sworn, registered, or valid for official use.

Issuing office and reference

For test-data purposes, the certificate is attributed to the Office of the Chief Municipal Fire Officer, Sehore, under reference FSC/SEH/2026/0142, dated 2 February 2026.

Premises and scope

The premises inspected are identified as Sahyog Institute of Engineering and Technology at Plot 18, Knowledge Park Road, Village Rampur Kalan, Tehsil Nandipur, District Sehore, Madhya Pradesh. The certificate scope includes the academic block, administration block, library and student amenities block, comprising the ground floor and two upper floors.

Validity and conditions

The synthetic record states that the fire-safety arrangements were found compliant with the inspection checklist on the issue date and that the certificate is valid through 1 February 2027, subject to maintenance of fire systems, unobstructed exits, and compliance with any directions of the competent authority. No real fire authority has issued this certificate.

End of synthetic test document.
